

Mass Spectrometry Society of Japan: Isotope ratio sub-committee 2020 (Information Circular 2)

Format: Online Zoom conference (In charge: Hiroshima University)

Schedule: 23rd Nov (Mon) 13:00~25th Nov (Wed) 12:00

Co-sponsor: Hiroshima Institute of Plate Convergence Region Research

This conference is aimed at the students and researchers working with isotopic ratio measurements, and provides a platform for discussions on the development of mass spectrometers, measurement methods, interpretation of obtained results, etc. We welcome **ongoing and budding research presentation topics**, instead of presentations on completed research. Isotope ratio sub-committee 2020 was planned to be held on site at Hiroshima University (2 days and 3 nights), but to prevent the spread of new coronavirus infection, this year it will be **held completely online**. The **participation fee has been made free** to accommodate as many participants possible. We hope that this conference will be a successful one.

Application for participation: **From 1st Nov(Sun) to 20th Nov (Fri)**

Application for lectures: **From 1st Nov(Sun) to 13th Nov (Fri)**
